Regent Pratumnak, Citism@rt Residence, The Regatta on Dongtan Beach and Highpoint Residence which is due for launch 16th August. IndoChine Asset Management is highly committed to developing quality condominium projects in an around the Pattaya and Jomtien areas to meet the demands of discerning purchasers.

Viewtalay Sands consists of just 12 apartments, offering greater exclusivity and privacy not found in larger developments.

Viewtalay Sands near Viewtalay Marina is located in a peaceful fishing yet is only 2 minutes away from Sukhumvit Road.

"This development is perfect for retired singles or couples seeking a true beachfront apartment, away from the hustle and bustle yet just 10 minutes from Pattaya and the many amenities on offer. Viewtalay Sands offers five star quality, greater exclusivity and the privacy that the well informed investor demands" said Mark Bowling, Sales Manager.

There are still currently a couple of units available in foreign ownership but it's anticipated that these will go very quickly once the show suite is available for viewing.

Prices currently start at 78,000 up to 97,000 Thai Baht per square metre, but this is set to rise on the 1st September with the opening of the show suite. Two or three bedroom units are available with quality European kitchens, Smeg appliances, Carrier air conditioners, solid timber flooring and American Standard bathroom fixtures.

For relaxation there's a good size rooftop swimming pool, large sundeck and barbecue area perfect for entertaining guests.

"There has been strong interest in this project as it nears completion, buyers can see for themselves Viewtalay Sands truly is something very special" said Mark Bowling.
